up in the blood and concealing it from view. S. S. S. cures the disease positively and permanently by forcing out every trace of the taint.

These soon broke out into sores, and it is easy to imagine the suffering I endured. Before I became convinced that the doctors could do no good. I had spent a hundred dollars, which was really thrown away. I then tried various patent medicines, but they did not reach the disease. When I had finished my first bottle of S. S. S. I was greatly improved and was delighted with the result. The large red splotches on my chest began to grow paler and smaller and before long disappeared entirely. I regained my lost weight, became stronger, and my appetite greatly improved. I was soon entirely well, and my skin as sicar as a piece of glass.

H. L. Myess, 100 Mulberry St., Newark, N. J.
